

LANKA ROOP TEJA

rooptejalanka2001@gmail.com | +91-7396757619 | Hyderabad

CAREER OBJECTIVE

Enthusiastic and detail-oriented Computer Science graduate seeking an entry-level frontend developer position. Eager to leverage strong technical skills in HTML, CSS, JavaScript, TypeScript, and frameworks like Angular 18 to build responsive and dynamic user interfaces., I am excited to contribute to innovative web projects

TECHNICAL SKILLS

Programming Languages: Java, HTML, C++, JavaScript, TypeScript.

Frameworks : Reactjs, Angular18, Spring boot.

Database : MySQL.

Version Control: Git & GitHub.

EDUCATION QUALIFICATIONS

Marri Laxman Reddy Institute of Technology and Management

B. Tech Computer Science *GPA: 7.96*

Hyderabad

NOV 2020 - MAY 2024

Narayana Junior College

Intermediate MPC *GPA: 7.3*

Hyderabad

JUNE 2018 - MAY 2020

Narayana High School

SSC *GPA: 7.8*

Hyderabad

JUNE 2017 - APRIL 2018

PROJECTS

JioCinema Clone

Tools: React.js, JavaScript, CSS Modules, HTML, JSON Server, VS Code

- Developed a movie streaming web application with a dynamic and intuitive UI.
- Used React.js for building reusable components, including:
 - Header & Navigation Bar for seamless browsing.
 - Search & Filtering System to find movies by genre, language, and IMDb rating.
 - Carousel & Featured Sections to highlight trending movies.
- Integrated a real-time search feature to dynamically update movie listings.
- Fetched and managed movie data using JSON Server for API simulation.
- Designed and implemented responsive UI with CSS Modules for a modern and engaging look.
- Ensured smooth user interactions with optimized state management using useState and useEffect.
- Tested and debugged the application for a seamless user experience.

GitHub Repository: <https://github.com/Roopteja55/React-JioCinema.git>

Personal Portfolio Website

Tools : HTML, CSS, JavaScript, VS Code.

- Designed and developed a personal portfolio website to showcase my skills, certifications, and projects.
- Built the website structure using HTML, focusing on clear navigation and an intuitive layout.
- Styled the website with CSS to create a visually appealing design, ensuring a professional look and feel.
- Utilized media queries to implement a responsive design, ensuring optimal viewing and usability across various devices, from desktops to mobile screens.

- Organized assets (images, fonts, icons) into separate folders for better project management and optimization.
- Integrated interactive elements with JavaScript to enhance user engagement, such as smooth transitions and navigation features.
- Deployed the portfolio website on GitHub Pages, providing an accessible platform for professional branding and showcasing my work.

Shopify Theme Development – Dawn Theme Customization

- **Objective:** To develop a responsive and modern Shopify theme by customizing the Dawn theme using HTML, Tailwind CSS, Liquid, and JavaScript.
- **Tools :** *HTML, TailwindCSS, Liquid, Shopify Platform, VSCode, GitHub.*
 - Used **VS Code** to customize Shopify's **Dawn theme** for a responsive and modern design.
 - Built the layout with **HTML** and styled it using **Tailwind CSS** for a clean, consistent look.
 - Added dynamic features using **Liquid**, Shopify's templating language.
 - Used **JavaScript** to enhance interactivity, like product galleries and smooth navigation.
 - Followed Shopify's guidelines for compatibility and ensured the theme worked well on all devices.
 - Managed the project on **GitHub**, maintaining version control and ensuring collaborative development.

STRENGTHS

- Strong analytical skills and problem-solving abilities, with a focus on troubleshooting complex technical issues
- Proficient in providing engineering recommendations and implementing communication best practices to improve collaboration and project outcomes
- Hardworking, self-motivated, and adaptable, with a commitment to continuous learning and professional growth
